## **National Geographic Geography Bee**

by Jackie O.

Begin the new year with a fun, educational, friendly competition! The Pima County Home Educators National Geographic Bee will be the 2nd week in January and is open to homeschooled students in grades 4 through 8th. It is sponsored this year by CHET-NW with support from Holy Families Home Educators, Sonoran Desert Homeschoolers, and CHET-SE.

This year we are asking for students to pre-register (by email) and are also asking for a \$2 donation (by snail mail) to help offset expenses.

I will be posting more information about the Bee! But in the meantime you can check out National Geographic's website:  
<http://www.nationalgeographic.com/geobee/>  
or email/phone me if you have any questions.
